HOW IT WORKS

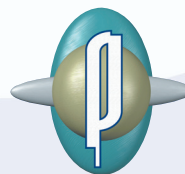

During the current school year all Teachers that attend Playdium, as part of a school sanctioned trip & take part in the Educational Package, will be asked to submit a form produced by Playdium. That form will contain the attending students names as well School & Teacher contact information. At the end of that School Year two (2) names will be drawn at random and those students will be awarded the Playdium \$500 scholarship. The Scholarships will be presented to the Students along with a Parent and a School Representative at a pre determined date and location.
